Global Experts Take Centre Stage at Supply Chain & Logistics Arabia 2017

Infinity Expo successfully concluded the launch edition of Supply Chain and Logistics Arabia Conference at the Address Hotel, Dubai Mall, UAE with over 120 attendees from GCC region. The power packed two-day conference themed 'Building a Robust Supply Chain Eco-System' was held on 1st – 2nd Nov 2017 with an impressive speaker panel from market leading organisations like Oracle, Frost & Sullivan, IBM, Siemens, KPMG, SAP, NAFL, Seko Logistics, CILT to name a few.

With 45 speakers, 100 delegates, 5 Sponsors and 10 exhibitors the event was an ideal platform for learning from successful case studies, networking with industry peers, garnering feedback from existing and potential customers and most importantly transacting business. The speaker panel put a spotlight on technology solutions to build high efficiency supply chains using Block chain, Artificial Intelligence, IoT, Telematics etc and also shared their experiences and best practice in designing Smart Warehouses, Building Supply Chain Visibility, leveraging Big Data Analytics.

Turkish Cargo as the Platinum Sponsor helped build a sensitisation on optimising the air cargo mix for faster yet cost effective supply chains. PTV Group, the leader in the transport and traffic planning solutions highlighted how effective route planning can help reduce costs, increase efficiency and enhance visibility. The panel sessions on the impact of VAT on logistics Sector in UAE, Strategies to build an Ecommerce business in GCC, Designing and Managing Smart Warehouses proved to be very engaging & interactive with the audience. Kim Winters, Global CEO of Logistics Executive Group convened the proceedings of the conference over the day and was very successful in building an interactive experience amongst speakers, delegates, exhibitors.

The participants feedback was encouraging:

"It was really an excellent event with the right yet relevant persons from the industry. I enjoyed all the presentations, venue, networking and many more things" - **Nadia Aziz, President, National Association of Freight & Logistics**

"The level of expertise and knowledge in logistics and business related matters of the presenters was excellent. In addition, I appreciate their positive attitudes, willingness to explain concepts, clarity of visual aids and handouts, and opportunities to ask questions. The insights I have gained from this one conference far exceed any other conference I have attended recently. Wonderful, insightful, well presented! .Excellent sessions, challenging and thought provoking." - **Rafael Llerena, CEO, Easy Fresh Logistics**

"The conference was organized very well!" - **Daniel Hauser, Managing Director, SwissLog**

"The audience was engaging"
-**Walid Daniel, Managing Director**
